Days	Date	Physics (9:30 - 10:15)
Thursday	09.04.2020	Practical Application of Total Internal Reflection Part-1
Friday	10.04.2020	Practical Application of Total Internal Reflection Part-2
Saturday	11.04.2020	Total Internal Reflection Part-1
Monday	13.04.2020	Total Internal Reflection Part-2
Wednesday	15.04.2020	Eddy Current and Self Induction Part-1
Thursday	16.04.2020	Eddy Current and Self Induction Part-2

: Class XII Non Medical

Maths (10:15 - 11:00)	Chemistry (11:00 - 11:45)
Solution of Linear Equations by Matrix Method Part-1	Crystal Field Theory I Part-1
Solution of Linear Equations by Matrix Method Part-2	Crystal Field Theory I Part-2
Rolls Theorem Part-1	Crystal Field Theory II Part-1
Rolls Theorem Part-2	Crystal Field Theory II Part-2
Mean Value Theorem Part-1	Isomerism I
Mean Value Theorem Part-2	Isomerism II

English (11:45 - 12:30)

The Importance of Being Earnest I Part-1

The Importance of Being Earnest I Part-2

The Importance of Being Earnest II

The Importance of Being Earnest III

The Importance of Being Earnest IV Part-1

The Importance of Being Earnest IV Part-2
